

GMCS Distant Learning Enrollment Request Form

Please use this form to request enrollment in distance learning for the 2020-2021 school year. In order to ensure proper social distancing on campus, GMCS is requiring parents selecting distance learning to commit to their choice for the first half of the school year. In January 2021, we will accept requests to return to on-campus instruction for any distance learners. Please send the completed form to GMCS's main office at mparks@gettysburgmontessoricharter.org by July 31, 2020. Changes in the learning environment can be made by completing the **Request Change of Learning Form** found on the GMCS website.

- We request that the students listed below be enrolled in distance learning through January 2021.
