

**GETTYSBURG MONTESSORI CHARTER SCHOOL STUDENT MASK MEDICAL LIMITATION/EXEMPTION**

All students who are medically, cognitively, and emotionally able must wear face coverings to ride on a district bus/vehicle, attend Gettysburg Montessori Charter School (GMCS) school on site and participate in before and after school programs and activities. Under the recent mandate issued by Governor Wolfe, students are allowed exemptions only when they are medically, cognitively, or emotionally unable to wear a face covering, as determined by a Licensed Health Care Provider (MD, DO, PA, ARNP, licensed psychologist). GMCS will require students with a Medical Exemption to Mask Requirements to remain at least 6 feet apart from other individuals for social distancing while indoors in accordance with the Centers for Disease Control guidelines and local Health Department mandates. GMCS may require that a child wear a face shield when social distancing is not possible.
