Educational Trip Form

A student may be permitted to take educational trips not to exceed ten (10) school days during a school year if prior written approval is obtained from the CEO/Principal. Students who are absent from school for an educational trip are responsible for all classwork, homework, projects, test/exams, and activities missed during the days of absence.

Educational trip requests must be submitted in writing, to the CEO/Principal prior to planning the trip, or as soon as possible after the trip is scheduled, and at least 2 weeks prior to the scheduled departure. Neglecting to obtain prior approval for an educational trip will result in the absence(s) being recorded as unlawful/unexcused absence(s). Educational trips may **not** be approved **during PSSA's** for those students in grades 3-6, or **during the first two weeks of school**, or if your child is habitually truant, unless approved by the CEO/Principal. Students who are on a trip that leaves United States soil, and/or continues beyond ten (10) school days are required to withdrawal from school and request readmission upon return.
