BOARD POLICY/STUDENT TRANSPORTATION GUIDELINES

Bus Stop Assignments

There is concern for the safety of students who split the pick-up and drop-off locations between several different bus stops and bus numbers. It is extremely difficult for the Transportation Office, the bus drivers, as well as the school to keep track of each individual's schedule.

A policy adopted by HPSD School Board on June 15, 2015 states:

There is no pick-up or drop-off outside the borough. The legal residence of the parent/guardian and one alternate location, for a sitter address, will be the pick-up, drop-off location for a student.

Discipline and Transportation

The principal/district may suspend a student from bus transportation for disciplinary reasons and the parent/guardian shall be responsible for the student's transportation. Examples of behaviors that will be considered a violation include (but not limited to): refusal to obey requests by driver, failure to remain seated, throwing objects, hitting students and/or driver, use of profanity, and other behavior deemed inappropriate by district/building principal. This policy pertains to all transportation paid and provided for by HPSD.

Delays and Early Dismissals Due to Weather

Example #1

If the school your child attends is running on time and HPSD has a two hour delay, we will transport your child according to HPSD delay (2 hours late).

Example #2

If the school your child attends is in Gettysburg School District and Gettysburg SD decides to have a weather related two hour delay and HPSD is running on time, your child's transportation will run on the two hour delay schedule for Gettysburg.

Example #3

In Service Days – If HPSD has an in-service day, but your child's school does not have an in-service day, your child *will* be transported.
