GMCS NEWS OCTOBER 2022

Front Office Reminders

- Car riders can be dropped off at the front door between 8:00 am and 8:30 am.
- Car riders can be picked up at the front door between 2:50 pm and 3:20 pm.
- You will need your child's GMCS car rider sign at dismissal. If you do not have a sign, please stop by the front office.

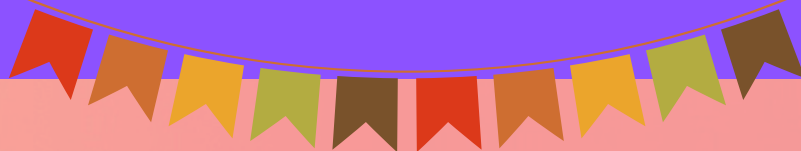

Attendance

There are small steps that all parents can take to monitor and limit absences thereby enhancing their child's academic success. At Gettysburg Montessori Charter School we strive to be consistent with our policy in order to ensure your child's academic success at school.

- If possible make appointments for your child before or after school. If a student leaves early, or comes in late due to an appointment a doctor's note is required in order for the appointment to be excused.
- Please email your absent and doctor's note to Info@gettysburgmontessoricharter.org
- If a student is out for 3 consecutive days, a doctor's note is required.
- If a student has missed 10 days of school, cumulatively, a doctor's note is required for every absence beyond the first 10 days.
- Tardies add up! If your student regularly arrives late or leaves early (even if it's 5 minutes), this time will add up to a half or whole day of school missed.

Donations Needed

Dear GMCS Families,

As you are cleaning out closets this fall, please consider donating clean clothing to the school health room's supply closet:

We are in need of elastic waist pants and underwear.

Please clearly mark the clothing size on the outside of the bag. And add a note "health room donation"

Thank you!

Dear GMCS families,

The beginning of the school year is a busy time for families! Please be sure that you have delivered any emergency or "as needed" medications to the school nurse for the new school year.

These medications might include inhalers, EpiPens, or seizure medications. Each medication brought to school needs to have a form completed and signed by the health care provider who prescribes the medication.

You may download the "Consent and Order for Administration of Medication at School" forms from the GMCS website, or call the school to have copies sent home.

Also, if your child's healthcare provider has approved your child to keep an inhaler or EpiPen in their backpack, the same "Consent and Order" form must be completed and signed by the health care provider and returned to school. A new signed form is needed for each new school year.

Thank you for making your child's health the top priority during this busy time of year!

Your partner in health and wellness,

Audrey Chapman, RN
GMCS Nurse

Help your school earn a share
of

\$500,000

Dear Parents,

Educational technology and funding changes daily. To keep up with these changes and expenses, our school is partnering with Weis Markets in their annual Weis 4 School program. By participating in this program, we can earn money for our school by simply shopping. When you shop at Weis, scan the bar code above to register your Weis Rewards card or register online at weis4school.com. Once you register, you're in the program and you do not need to register again this school year. Please share this bar code with your friends and family. The more interest and enthusiasm we generate, the greater the benefits to our school.

Thank you for your support.
