

BOARD OF TRUSTEES VACANCY

The Gettysburg Montessori Charter School is governed by an elected board in which members serve four-year terms. There are seven elected members, while at least one must be a community member. A community member could be a grandparent, aunt, uncle...etc. The essential functions of the board are policymaking, the assurance of sound management, and active participation in the provision of necessary funds, which are allocated to the school. All board meetings are open to the public and held at the school. Meetings are held on the last Thursday of each month at 6:00pm.

Have you had an interest in becoming a board member? Do you know someone who may be interested in becoming a board member? We currently have a vacancy available to parents and community members!
