**GMCS Talent Show was filled with amazing performances and all the students and staff involved really nailed it for a spectacular event. Thanks to all who were involved.**

# BOARD OF TRUSTEES VACANCY

We are a Board made up of family members and community volunteers. Volunteerism is a crucial part of the Montessori philosophy and no matter your background or experience there is a place for you on the Board! The Board is currently looking to fill a vacant position.

Please email Rose Thornberry, Vice Chair, at [rthornberry@gettysburgmontessoricharter.org](mailto:rthornberry@gettysburgmontessoricharter.org) to find out how to become part of our school's governing body. Applications are being accepted until May 24th.

**Make a difference in someone's life by helping out.**

**Dear GMCS Families,**

**If your child keeps medication in the nurse's office, please remember to pick up your child's medication(s) by noon on the last of school. No medications will be held over until September. Any medications left in the Health Room will be discarded. Parents/guardians are responsible for picking up student medications directly from the school health room. Medications will not be sent home with students.**

**New orders and new medications will be required for the next school year. Please have your child's primary care provider (PCP) complete the Medication Administration form after July 1st, for the new school year.**

**If your child has asthma or a severe allergy, a current Action Plan is preferred as an order. You are not required to use the school's form. Many clinics use their forms.**

**We do need an updated form with signatures each new school year. Make phone calls and appointments early, as doctor's offices get very busy in August. Deliver the signed form and medication in the original bottle or box with the pharmacy label to the School Nurse.**

**Bring these to school for Back to School Night the week before school starts, or between 8:00 am and 3:30 am on the first day of school. Do not send medications to school with your child on the bus, unless the doctor gave signed approval for student self-carry of inhaler or EpiPen, and you have already provided the form to the nurse.**

**Medication Administration Forms can be found online at <https://www.gettysburgmontessoricharter.org/gmcs-forms/>**

**If your student is attending summer school, you are responsible for coordinating with that program and providing the inhaler or EpiPens for the summer program.**

**Wishing you a happy and healthy summer!  
Nurse Chapman**
